NO explosives

A Few Frequently Asked Questions Answered

Q. What should I do with batteries?

A. Alkaline batteries, used mostly in toys and flashlights, can be thrown away with regular trash. Nickel Cadmium (Ni-Cd), Nickel Metal Hydride (Ni-MH), Lithium Ion (Li-ion) and Small Sealed Lead (Pb) can be recycled at special bins located at Lowes, Home Depot or Best Buy. Always call first before making the trip.

Lead Acid, (automotive, motorcycle, etc.) should be taken to any store that sells lead acid batteries. If you are purchasing a new lead acid battery, most places give a discount off the purchase of the new battery when you bring the old one in.

Q. Can I recycle envelopes with plastic windows?

A. Yes, you may recycle paper envelopes with plastic windows. Bag or bundle them along with other acceptable mixed paper and place in your curbside bin. These may also be recycled along with mixed paper at any of our recycling drop off locations in the mixed paper compartment.

Q. Can I recycle corrugated cardboard boxes with packing tape attached?

A. Yes, you may recycle corrugated cardboard boxes with packing tape attached. Always flatten corrugated cardboard before recycling.

If you have a recycling question, please email Amy Schirf, the Authority's Education Coordinator at aschirf@centrecountyrecycles.org.

Calendar of Events / Holiday Collection Schedules

Centre County Recycles is a quarterly newsletter published for Centre County residents as a source of information regarding recycling and environmental issues. Centre County Recycles is printed on 30% RECYCLED CONTENT PAPER with soybean based inks AND IS RECYCLABLE.

This publication is partially funded by an Act 101 Recycling Grant through www.depweb.state.pa.us

Did You Know?

You can buy State College Borough Compost at CCRRA. The cost is \$6.00 per 40 lb. bag. Just ask our Scale Operator for details and we will even load the bags into your vehicle. Proceeds benefit the Authority's Education Endowment Fund.
